The Clear Day Experience

Saturday, April 14, 2012

Discover ~ Transform ~ Awaken ~ Integrate

The Clear Day Experience is a very special day created with you in mind. We have purposefully created a space for you to find clarity from the chaos and distractions of everyday life to focus on YOU.

The goal for the day is to provide you with an opportunity to experience all of who you truly are. Your highest vision of your Self becomes your own inspiration to create the life YOU truly desire!

In just one day of three entrainments, plus three incredibly powerful workshops, you can create as much change, and begin Transforming your life, as you would in three months of care in the office!

We offer you this opportunity to chart the life you desire.

***Passions found. Destinies chosen. Lives Transformed.
This is where it all happens; a day you'll never forget.***

Lunch & snacks will be provided.
